## **TO ALL MXB BUSINESSES :**

At Durham ABC Mixed Beverage, we continually strive to enhance our customer service. We recognize that unforeseeable emergency circumstances require prompt solutions. We are pleased to introduce our new emergency order program, which allows our valued customers to order up to 12 bottles of a product. This quantity should suffice until the next order. Our aim is to assist Durham businesses even more than we do.

Remember, great service is just a drive away!
